## Overview

Susann Holenko has over 38 years' experience in the legal field as a Legal Administrator, Paralegal, and Legal Administrative Assistant in both private law firms and the Law Department of the Soo Line Railroad.

Since joining Greene Espel in 2000, Susann has devoted her time to assisting firm attorneys in all aspects of file management in the areas of business, employment, government and constitutional litigation, internal investigations and white collar criminal defense, products liability, compliance and anti-corruption, investigations and counseling. She particularly enjoys assisting in the firm's pro bono cases and readily seeks out opportunities to work with firm attorneys in all areas of law.

In addition to her work as a Legal Administrative Assistant, Susann has been instrumental in the success of several technology projects, including creating and maintaining the firm's templates, in addition to assisting with technology training programs involving new software and other technology solution initiatives
