Overview

Jeya Paul is an experienced litigator whose practice focuses on intellectual property and other complex commercial disputes.

She has experience with all stages of litigation, from pre-suit investigations to trial and post-trial proceedings. Jeya has represented clients in patent litigation matters in district courts across the country and at the Federal Circuit. She also has experience with inter partes reviews at the United States Patent and Trademark Office.

Jeya is a graduate of Stanford Law School and a former federal district court law clerk. Prior to law school, Jeya spent several years at a major consulting firm, where she worked on and managed teams responsible for various aspects of software development.
